A. Statement of Special Inspections

Permit No.	
APN:	
Project Address:	
Note: A completed PLG-240 is required on a plan sheet(s), see Form Submittal below.	Reserved for County Stamp
2022 California Building Code	
This form lists aspects of the project that require special inspection and testing as indicated in	
the California Building Code Section 1704 and 1705 and defines duties and responsibilities of	
parties involved in the project.	

Form Submittal. The Owner or Owner's Agent, on the advice of the Registered Design Professional in Responsible Charge, must <u>complete this form</u>, secure signatures by <u>all parties</u>, and incorporate <u>all pages</u> onto the <u>plan sheet(s)</u> for review (even if duplicating similar information).

Duties & Responsibilities. The Owner and Contractor acknowledge assignment of the following duties, responsibilities, and conditions applicable to special inspection or testing:

Owner

1. Ensures that construction complies with the approved permit documents and implement the program of special inspections.

- Contractor
 - 1. Ensures proper notification to the special inspection or testing agency for items listed herein.
 - 2. Reviews the Building Division approved permit documents for additional inspection or testing requirements. A pre-construction conference at the job site is recommended to review special inspection procedures.

Special Inspection/Testing Agency

- 1. Provides copies of all laboratory reports and inspections to the Building Division and Registered Design Professional in Responsible Charge on a weekly basis. Only the testing laboratory may take samples and transport them to their laboratory.
- 2. Submits for the Building Division's approval an Inspector List that shows the names and qualifications of on-site special inspectors who are NOT on the County's pre-approved list.
- 3. Provides each special inspector with an identification badge that includes:
 - \rightarrow Name and photograph
 - \rightarrow Areas that the inspector is qualified to inspect
 - ightarrow An authorization signature by the Registered Engineer who is a full-time employee of the agency
- 4. Provides the Final Report of Special Inspections that documents required special inspections and correction of discrepancies noted in inspections. A copy of this report must be kept at the job site for review by the County Inspector prior to final inspections. *Per CBC section* 1704.2.4 this report is required before an occupancy permit can be issued.

Special Inspectors

- 1. Must have their badge visible when performing their duties.
- 2. Must immediately notify the County Building Division upon encountering any concerns or problems.
- 3. Must use only the County Building Division's approved permit documents.
